I caused an envelope to be deposited in the Mail at Chicago, Illinois with postage thereon fully prepaid. I am readily familiar with my firm's practice for collection and processing of correspondence for mailing. On the same day that correspondence is placed for collection and mailing, it is deposited in the ordinary course of business with the United States Postal Service in Chicago, Illinois in sealed envelopes with postage fully prepaid. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.
